**Living Water**

Jesus calls the life-giving gift of the Spirit “living water” because mere man is parched to his very roots, rendered dry and barren of all virtue by the crimes of the devil. But now man runs back to his pristine beauty, and drinking in that which is life-giving, he is made beautiful with a variety of good things and, budding into a virtuous life, he sends out healthy shoots of love towards God. The Week of the Samaritan Woman

The Samaritan woman, Photina (Svetlana in Slavonic), is an image of our baptism. Since Jacob’s well could not quench her thirst, the Lord revealed to her true worship of the Father in spirit and in truth. In this week we draw of the water of the well of enlightenment and imitate the holy and repentant Photina, Great Martyr and Equal to the Apostles, the woman enlightened by our Lord. Martyred during the reign of the Emperor Nero, her feast day is February 26<sup>th</sup>. The Orthodox church of Jacob's Well is located in the city of Nablus on the West Bank. The current church is the 5th structure to stand over the site, which has been venerated by Christians as the Well of Jacob since the 4th century.

### A Note from Fr. Anthony

Dear Parishioners,

Once again, we are most excited to welcome Metropolitan William to St. Mary's next Sunday for a 3:00pm Hierarchical Divine Liturgy with the Diaconate ordination of seminarian Mark LeRoy. Please sign up in the back of the Church by Monday if you are planning on attending so we can make sure we have enough Eucharist to distribute and so we can order and prepare food for the reception following. This will replace the normal 11:00am Divine Liturgy at St. Mary's next Sunday. Please keep Mark in your prayers. He will be staying in the Ambridge rectory this week doing his retreat to prepare for ordination so you will likely see him around.

Seminarian Alex has begun his assignment at our parishes. His first task is to help prepare a chant group for this Hierarchical Divine Liturgy and make the programs, which is quite a bit of work!

Our St. George bowling outing is taking place this Thursday, May 22nd at Sheffield Lanes at 7:30pm following our 6:00pm Divine Liturgy.

Parish Men's Group will begin on Wednesday, May 28th at 7:15pm in the St. Mary's rectory. Join us for spiritual conversation, food, beverages, and cigars. All men 21 and over are welcome.

On Pentecost Sunday, we will celebrate Kneeling Vespers at 4:00pm at St. Mary's. All are welcome to attend this beautiful service in which we beseech the mercy of God upon ourselves and upon our Church and kneel for the first time liturgically after the Paschal season. Following, we will have a 5:00pm young adult (ages 18-39) cookout. Having such events for young people is an important part of continuing to attract new members to our parishES.

We will begin our schedule of praying the Hours and Vespers in our Churches beginning in June.

In Christ,  
*Fr. Anthony*

*Christ is Risen! Indeed, He is Risen!*

## ***Sunday of the Samaritan Woman***

Not only did our Lord Jesus Christ teach large crowds - for example, at the Sermon on the Mount - but he also spent time with individuals, in one-on-one situations. The Gospel for this Sunday, the account of the Woman at the Well, the Samaritan Woman, is one example of this and a very interesting one it is.

Our Lord knows what is in everyone's heart, He knew what was in the Samaritan woman's heart, and He also knows our own hearts and our weaknesses. He knows us well and can help us, only we must not fall prey to despondency. Tradition holds it that the Samaritan woman, who was called Photina, was persecuted during Nero's reign in approximately 66 A.D. for spreading Christianity, and died a martyr's death by being thrown into a well. Despite leading a sinful life, the Samaritan Photina had a sincere desire to know the true faith, and the Lord did not overlook her desire. In other words, she was not lukewarm in faith as is, unfortunately, the overwhelming majority of contemporary mankind. The Lord accepted the sinful Samaritan woman, but did not approve of the scribes and the Pharisees, despite the fact that outwardly their life may have appeared more righteous.

Today's Gospel reading teaches us to approach all spiritual issues in our life from within: to pay scant attention to externals, for the internal has more value than the external. And whenever we are faced with the question of whether we are acting correctly in such-and-such a case, we should look upon it from within the heart: if the answer is "yes" - then thanks be to God, and if the answer is "no" - then we must try to change ourselves.

### **Further Reflection...**

We are told in our society today to keep religion out of the public sphere. We are told that we should not talk about religion in social settings, in school, or at work. We are told that we should not proselytize and make convert to Christianity. We are told to leave others alone to follow their own path. But, if we are truly convinced that Christ is "the way, the truth, and the life," and this is true for all people, how can we possibly stay silent about something which impacts a person's salvation?

In what ways can we bring the message of Christ to others in a way that respects their freedom?
